INTRODUCTION

This document and the information we send you about your cover is designed to be simple and straightforward to make it easy for you to understand what is included in your cover and what isn't.

Yamaha Motor Australia Pty Ltd (ABN 88 002 556 989) and Nautilus have entered into an agreement to develop, market and distribute marine insurance products. This YMI marine insurance has been designed by Nautilus in conjunction with Yamaha to give Yamaha boat and motor owners like you, simple and easy to understand cover to protect you in the event of a crisis such as a collision, sinking, fire, storm or theft. Plus we give you added benefits, which may not be covered by other insurers, to help you get back out on the water sooner.

MONEY BACK GUARANTEE

If you decide that your insurance cover doesn't meet your needs, for whatever reason, and you have not made a claim, you can return your policy within 21 days of the start of your insurance. You will receive a full refund of any premiums paid (less any taxes or duties we cannot recover). It's called your Cooling Off Period and it's as simple as that.

NO CLAIM BONUS

We will reward you with a no claim bonus discount on your premium when you buy the policy if you have not experienced a recent pleasure craft related claim.

We tell you what your discount is when you apply for the policy.

If you hold the policy with us for three consecutive years and make no claims, we will apply our Maximum No Claim Bonus discount for all future renewals of the policy with us.

A minimum premium applies to this insurance. This means that your discounted premium, after taking into account your no claim bonus, cannot be less than the minimum premium payable.

For more information on the minimum premium, see the Determining your Premium section below.

SUMMARY OF YOUR YMI MARINE INSURANCE

APPLYING FOR COVER

When you apply for this insurance, you will need to complete a proposal. We will use and rely on the information supplied by you to decide the terms of cover we will provide.

We provide cover to you on the terms contained in this document and any other document that we tell you forms part of the terms and conditions of your cover, including the most recent Certificate of Insurance.

The Certificate of Insurance will contain important information relevant to your insurance including the period of insurance, your premium, details of your insured property and the cover selected by you, the excess(es) that will apply to you and others and whether any standard terms have been varied by way of endorsement.

All of these make up your “policy” with us. You need to keep these documents in a safe place together with receipts and other evidence of ownership and value of items you insure.

Before expiry we will send you a renewal notice which tells you whether we will renew your insurance and on what terms. The renewal notice will tell you what is required.

DETERMINING YOUR PREMIUM

When you buy your insurance we tell you the premium you must pay and note it in your Certificate of Insurance. To determine it we consider factors such as the cover you want, the boat and/or motor you want to insure, the limits and excesses that will apply and your insurance history. It also includes an administration fee and amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for your insurance. We set these out in your Certificate of Insurance.

A minimum premium applies for this insurance irrespective of any discount that applies. The amount of premium we charge will not be less than this amount.

THINGS YOU SHOULD DO WHEN PURCHASING THIS INSURANCE

UNDERSTAND THIS INSURANCE COVER

You will only be entitled to the cover provided by this YMI marine insurance for which you have paid the applicable premium and which is noted on your Certificate of Insurance.

YMI marine insurance is designed to protect your insured property against some of the most common events such as fire, storm, impact and sinking (see page 13).

It also provides a broad range of Additional benefits which may not be offered by all insurers (see pages 14-17) if you have taken out Boat Cover the option to add extra cover such as extended sailboat racing (see page 18). You also have the option to take out our Gap and Extras Cover if you have taken out a loan for the purchase of your boat or motor (see pages 25-26).

There are limits to the cover provided and while some of these are fixed, others may be extended by simply notifying us of the items you own and their value.

There are also exclusions which apply to certain events (see pages 13-26), as well as general exclusions which apply to all cover under this insurance (see pages 27-28).

Certain words have defined meanings you need to understand (see pages 29-31).

You should read this PDS in full to ensure you understand the insured events and benefits as well as the limits and exclusions to this cover.

WORK OUT WHAT COVER SUITS YOU

You need to ensure that the cover selected by you is suitable for your needs and that the level of cover provided is adequate.

You can choose to insure your boat or alternatively only its motor on the following basis:

Market value – we pay up to the market value (i.e. the cost to replace the item with a similar item of the same age and condition), but never more than the sum insured listed on your Certificate of Insurance.

Agreed value – we pay the amount we agree with you for the relevant item(s). You must obtain a valuation from an authorised boat dealer or boat broker and we must agree and accept the valuation. The agreed values will be listed on the Certificate of Insurance.

The agreed value option is not available to personal watercraft.

When you insure under the Boat Cover section of this policy a separate agreed value (called a sum insured) will apply to each of the hull, motor, mast, spars, rigging & sails, trailer and equipment and accessories. The maximum amount that we will pay for any item not listed with an agreed value on the Certificate of Insurance will be its current market value.

You are responsible for deciding the amount of your sum insured. If you are having difficulties working out the values please seek the advice of a professional valuer.

THINGS YOU SHOULD DO WHEN PURCHASING THIS INSURANCE

UNDERSTAND YOUR DUTY OF DISCLOSURE

We rely on the information you provide us with, to decide whether to insure you and the terms on which we will insure you and you have a Duty of Disclosure to us.

To comply with your Duty of Disclosure before you enter into the policy or vary, renew, extend, reinstate or replace it, you must tell us everything that you know, and which a reasonable person in the circumstances, could be expected to know, is relevant to our decision whether to insure you and, if so, on what terms.

You do not have to tell us anything that is common knowledge that we should know through our business, that reduces the risk of a claim or that we tell you we do not need to know.

If you fail to comply we may be entitled to reduce or deny any claim you make and/or cancel the policy. If you fraudulently keep information from us or deliberately make false statements we may avoid your contract and treat your insurance as if it never existed.

THINGS YOU MUST DO AFTER YOU HAVE PURCHASED THIS INSURANCE

KEEP INSURED PROPERTY IN GOOD CONDITION AND REPAIR AND ALWAYS PROTECTED

You must maintain your boat, motor and equipment in a good state of repair and condition. Any loss or damage caused by poor maintenance is not covered under the policy. You must also make reasonable efforts to protect your boat, motor and equipment from any loss or damage. If you make a claim and knew about something that could cause loss or damage to your property and you did not make reasonable efforts to avoid it before the loss or damage occurred, then your claim may not be paid. If you do suffer loss or damage to your boat, motor and equipment you must also make reasonable efforts to prevent any further loss or damage.

If your boat and your motor whilst attached to your boat is kept on a mooring you must make sure that the mooring is in good order and repair. This means that the mooring must be well maintained and serviced on at least an annual basis.

You must maintain a current insurance policy on your boat or motor that covers accidental loss or damage if you have taken out the Gap and Extras Cover section of this policy.

KEEP PROOF OF OWNERSHIP AND VALUE

When you make a claim for loss or damage, we will require proof that you owned the item and of its value or your claim may not be paid.

The easiest way to do this is by keeping receipts, valuations and other forms of purchase confirmation such as model and serial numbers.

TELL US IF YOU MODIFY YOUR BOAT OR MOTOR OR CHANGE ITS USE

You must tell us if you modify your boat or motor from the manufacturer's original specifications or if there is a significant change in the use of your boat or motor.

If you do not provide us with this information you may not be covered in the event of a claim.

When you provide this information to us we may alter the terms and conditions of the policy and this may involve the payment of an additional premium. Alternatively, we may cancel the policy or decide not to offer renewal.

ENSURE THAT YOUR PREMIUMS ARE ALWAYS PAID

You are responsible for ensuring that your premiums are paid or your cover could be put at risk. Please call us if you are ever unsure about your premiums.

MEETING YOUR OTHER OBLIGATIONS

You will need to meet other conditions of the policy, such as claims conditions, or we may reduce or refuse to pay a claim and/or cancel the policy.

INSURING YOUR BOAT OR MOTOR

WHAT IS YOUR “BOAT”?

For the purpose of this policy boat means your boat (or Yamaha Waverunner) which is comprised of the:

- hull;
- motors, including fuel tanks;
- mast, spars, rigging and sails;
- trailer;
- equipment and accessories;
- boat tender, as applicable.

Your boat includes any replacement boat, but does not include modifications you have not told us about or which are not shown on your Certificate of Insurance. Your boat does not include contents or personal effects as defined in the policy, but limited cover is separately provided for these items in this policy.

WHAT IS YOUR “MOTOR”?

For the purpose of Motor Only Cover section of this policy your motor is comprised of the stern drive units, inboard

and outboard engines as described in the Certificate of Insurance and includes the propeller, shaft, gearbox, skeg, jet unit, wiring harness, instruments, portable fuel tank, battery, control cables and generator.

WHAT IS AN EXCESS?

An excess is the amount you contribute when a claim is accepted under this insurance. The excess applicable to your cover is shown on your Certificate of Insurance.

There is no excess applicable on theft claims if Data Dot has been applied to the boat or waverunner.

There is no excess in respect of claims made under the Gap and Extras Cover section of this policy.

OTHER PARTY’S INTERESTS

We only cover your interest in the insured property, unless we specifically include cover for the interest of another party.

You must tell us of the interests of all parties (e.g. credit providers or other owners) who you want to be covered by the policy. We will cover their interests only if you have told us about them and we have noted them on your Certificate of Insurance.

IF YOU HAVE BORROWED MONEY TO BUY YOUR BOAT OR MOTOR

If a credit provider is noted as having an interest in your boat or motor on your Certificate of Insurance and, if you have a claim and we agree to settle on a cash basis, we have the option of making this payment to the credit provider in full or part settlement of your claim.

In this situation, we will pay the credit provider the amount we agree to settle the claim, up to the amount outstanding under your finance contract.

GOODS AND SERVICES TAX (GST)

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant sum insured, market or agreed value or maximum amount that we pay. However, if you are or would be entitled to claim any input tax credit for the repair or replacement of insured property or for other things covered, we will reduce any claim under the policy by the amount of such input tax credit.

INSURING YOUR BOAT OR MOTOR

REINSTATEMENT OF SUM INSURED FOR CERTAIN CLAIMS

When we pay a claim for your boat or motor that is not a total loss, or repair an item, the relevant sum insured for your boat, motor or item will be automatically reinstated to the same amount shown in the Certificate of Insurance unless we tell you otherwise in writing.

IF YOUR BOAT OR MOTOR IS A TOTAL LOSS

If there has been a total loss payout made by ourselves, your boat, motor or item will become our property and we will keep the proceeds of any salvage sold.

There is no premium refund payable if we settle a claim for your boat or motor on a total loss basis or where we pay a claim under the Gap and Extras Cover section of this policy.

MAKING A CLAIM

WHAT HAPPENS IF YOU NEED TO MAKE A CLAIM?

We understand that it can be very stressful if you need to make a claim. Our claims team will be there to help you with advice and assistance when you need it most.

If an event occurs that is likely to result in a claim, the following checklist will help you ensure that you have done everything you need to do, so that your claim can be assessed quickly. Not all items may be applicable to your claim.

First you should:

- do what you can to prevent any further loss, damage, cost or liability;
- tell the police if the event involves theft, attempted theft, malicious damage or impact;
- call YMI on 1300 780 533;
- Contact your broker.

You must never, without our consent:

- admit guilt, fault or liability (except where required by law);

- offer or negotiate to pay a claim;
- approve any repairs or arrange replacements (other than emergency repairs necessary to minimise or prevent further loss or damage);
- dispose of any damaged property.

We will also require you to:

- provide us with the proof that we require regarding lost or damaged items or out of pocket expenses;
- help us manage the claim, which may include us inspecting your boat or motor or asking you questions, or you providing written statements to us under oath;
- keep items that have been damaged and allow us to inspect them or assess repair costs;
- allow us to take possession of damaged property that is the subject of a claim;
- send us any communication you receive relating to the claim (including telling us of pending court proceedings or offers of settlement);

- help us as we work to negotiate, defend or settle any claim made under the policy and to exercise for our benefit your legal right of recovery against any other party;
- tell us about any other insurance that may be relevant to the claim.

WHAT HAPPENS AFTER YOU MAKE A CLAIM?

If your boat, motor or other item is covered under the policy we will at our discretion:

- repair or replace your boat, motor or item;
- pay you the reasonable cost of repairing or replacing your boat, motor or item; or
- pay you the agreed value or market value of your boat, motor or item (whichever is applicable).

However, other than as provided for under the New for Old Additional benefit, we will never pay more than the relevant sum insured or limit specified in this document or on your Certificate of Insurance less any applicable excess.

MAKING A CLAIM

If we pay you the reasonable cost of repairing or replacing your boat, motor or item our payment will be based on the cost required to repair or replace it as near as possible to its appearance and condition immediately prior to the claimed loss or damage.

If your claim involves loss or damage to the mechanical and electrical components of the motor(s) and we decide to repair or replace the motor(s) then we guarantee that only genuine Yamaha parts will be used.

HOW CLAIMS IMPACT YOUR NO CLAIM BONUS

If you have a claim under the policy your no claim bonus will be reduced on renewal.

However, if you have held this policy with us for three consecutive years (i.e. renewed the policy at least twice) and have not made a claim, we will not reduce your no claim bonus as you will have earned our Maximum No Claim Bonus discount for all future renewals of the policy.

EXPENSES TO AVOID OR MINIMISE LOSS

If you have Boat Cover and your boat sustains damage or gets into difficulties in an accident, we will pay the reasonable cost to minimise loss or damage such as:

- removing your boat or motor to safety (including emergency towing);
- drying all the electrical equipment on the motor(s);
- cleaning and oiling of the motor(s) by a qualified mechanic.

OTHER IMPORTANT MATTERS

You do not need our authority to take such action if it is an emergency and you are unable to contact us to obtain our authority. You must advise us as soon as possible after the action has been taken.

These emergency costs are in addition to the sum insured shown on your Certificate of Insurance for your boat or motor.

GEOGRAPHIC LIMITS AND PERIOD OF INSURANCE

Cover is only provided under the policy in relation to events causing loss, damage or liability which occur:

- during the period of insurance; and
- within the geographic limits specified on your Certificate of Insurance. All cover provided by the policy will be automatically suspended when your boat or motor clears Australian Customs and Immigration for the purpose of leaving Australian waters and will recommence when it clears Australian Customs and Immigration on return.

However we will provide cover in the following circumstances:

- if your boat or motor goes beyond the geographic limits to reasonably respond to an unforeseen emergency;
- if your boat or motor goes beyond the geographic limits because of circumstances beyond your control or the reasonable control of the person in charge or control of your boat or motor;
- if you advise us you will go beyond the geographic limits and we agree to extend cover in writing.

Any person who provides financial services to you as Nautilus's general insurance distributor will tell you that they are acting in that capacity.

DISTRIBUTORS' REMUNERATION

Distributors receive a commission whenever you enter into a policy arranged by them (including renewals and some variations which increase the premium payable).

The commission excludes GST and is a percentage of Lumley's base premium (i.e. premium excluding Lumley's actual or estimated liability for stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of your premium.

HOW NAUTILUS IS REMUNERATED FOR THE SERVICES PROVIDED?

Nautilus also receives a commission whenever you enter into a policy arranged by them or their boat dealer distributors (including renewals and some variations which increase the premium payable).

For its services in administering this insurance for Lumley, Nautilus may be paid a profit share amount in relation to all Boat Insurance policies entered into in each annual period. The amount Nautilus can receive is a percentage of the net

profit amount (if any) which is determined by Lumley and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the policy, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, Nautilus receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

Nautilus will also charge you a fee when it provides dealing services for Lumley, which varies depending on the dealing service it provides you with. The fee is paid in addition to the premium and is specified in the Schedule.

Nautilus' staff receive an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

OTHER IMPORTANT INFORMATION

REMUNERATION PAYABLE TO REFERRERS
